

SSPC

We deliver construction and engineering solutions that inspire confidence, bring your vision to life, and drive mission success—for you and those you serve.

Certified SDVOSB

SSPC's Construction Managers provide integrated architectural, engineering, technology, and program management services for complex federal and private sector infrastructure projects.

As a certified Service-Disabled Veteran-Owned Small Business (SDVOSB), we apply proven team principles and rigorous quality standards across diverse industries—including healthcare, manufacturing, and enterprise facility planning and budgeting—delivering mission-focused solutions that drive operational excellence and client success.
